

SUMMER EDITION

Family Ministry News:

Do you have kids or grandkids who have left the Church? Do you have small children? Are you concerned about raising them in a culture that is anti-Christian?

Crosspoint is hosting AXIS— a nationally known ministry whose purpose is to resource and equip families to be the disciplers of the next generation.

PLEASE SAVE THESE TWO DATES:

Sunday, September 21st & Saturday, September 27th

The next generation has a lot of questions and if we don't take these questions seriously, they will find the answers for themselves elsewhere. What if we were there to hold them accountable and show them grace when they fail ?

Axis will be sharing from the pulpit on Sunday September 21st. This will give you a foretaste of what's ahead. Saturday, September 27th is the full-day seminar, where the real training and equipping takes place. Jr. High, Sr. High and college-age kids should attend.

Mike Baker, Pastor of Family Ministries

We have a problem in the church,
61% of the next generation
are walking away from their faith.

Sign up starts in August.

Playground Upgrade

BEFORE

AFTER

Bethel Children's Center is spearheading a new project to upgrade some of the play equipment in the church playground. We are excited to partner with them in making the playground a fun and safer place for our kids. We are hoping to raise between \$5,000 and \$7,000 towards the purchase of the new equipment pictured above.

If you would like to donate towards this project, please make your check payable to Crosspoint Church and memo it "Playground Upgrade." Mail it into the church office or drop it in the offering boxes at the front doors.

In September we will include donation envelopes in the bulletin.

Thank you in advance for your generosity.

Crosspoint Finance Team
