Discussion Questions

This study guide is designed to help you apply Sunday's message. Join one of our sermon-based Home Groups in order to do this study together. Visit crosspointsr.org/homegroups to find a group for you!

1. Today is a study of comparison and contrast. Start by reading Luke 8:40-56. Looking specifically at the two different healings, think about every aspect of what Luke shares: how those in need of healing approach Jesus, what their position is, who the audience is, how immediate the healing is, how Jesus responds, etc. In the charts below, fill out everything you find:

Comparison Chart	
What are the similarities?	
<u>Jairus</u>	<u>Sick Woman</u>

Contrast Chart	
What are the differences?	
<u>Jairus</u>	<u>Sick Woman</u>

2. What do you learn about Jesus from how he responds to these different people? How should we approach Jesus? What does "faith" look like here? In what area(s) of your own life do you need to show more faith?

Pray for the needs of each group member as you close your time together.
